

### *Savage God Sequence 457*

Ontologically speaking there are several  
reasons to want not to become suddenly God  
awakening to find that you are Supreme Ruler  
of universe and responsible for:  
multiple-soul systems subsystems  
integrating schedules cosmic nuances furtive animals  
in heat ironic disturbances in ecosystems time zones  
primordial soup kitchens elevated highways bi-ways  
blood pressure cookers border patrols Fascist cloners  
afternoon boners, clowns, bafoons, dangerous loners  
mid-life crisis catharsis awkward awareness in eyes of  
pre-adolescent pygmy princess.

(who will one day become world figure)

And the thermodynamics -- how then does HE/SHE  
chief big guy/gal keep all these balls in the air without system  
falling down 'round him/herself --?

Poet Hoffman says devil teach Thermo-D let the rest  
take care of itself transcendence though even in physics  
or for the moment at least there is time to embrace love  
gesture with friends others with same poetry smile and  
forever opening arms displays of warmth merriment general  
arrangements networks here there and every

where.

The thing at the core of all this is a fantastic elasticity allows the Bengal Tiger to inhabit same conceptual space as a pair of dirty socks owned by pharmacist in New Jersey nothing new here like baseball played many times before, but the outcome is why.
